HAPPY HOLIDAYS!

MUSIC.....
Because it enriches life
Because it can be shared universally
Because it builds self-esteem
Because it provides limitless enjoyment
MUSIC.....
A necessity in each of our lives

WELCOME

During the program, we encourage you to reinforce the 'concert manners' which we teach all students:

Remain seated and quiet during the entire performance

If you must leave the gym during the program, do so only at the end of a selection; never while anyone is speaking or singing

Likewise, do not reenter the gym while students are performing

SPECIAL THANKS TO:

All the teachers for their wonderful support and cooperation

Linda LeClair for Art Displays

Kim Depas for programs and invitations

Sherry DeRoche, Chris O'Connell, Jackie Rocklewitz, & Karen Trippler for props & costumes

All the aides, office staff & custodians for their extra work

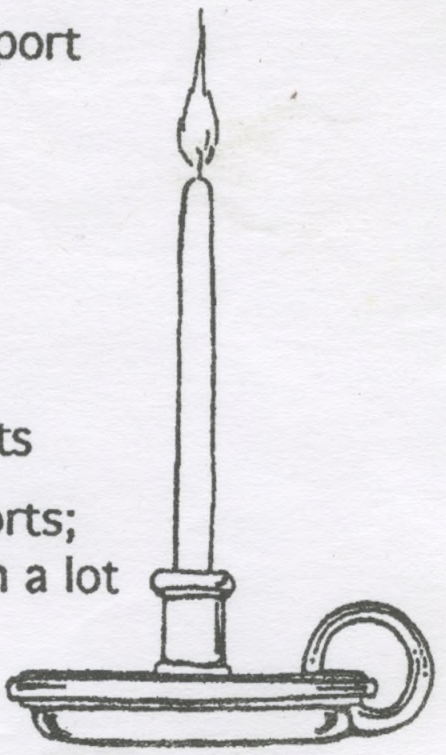
Mr. Mayfield for his cooperation and support

Glenn Fleck for the use of the gym

Kristin Nebel and Terri Brouchoud for signing and choreography

Thank you for coming to see and hear the students

They are proud of their efforts; your interest & support mean a lot



Please pick up your students in their rooms right after the evening performance.
